Due to the long smoking process, our meat may appear pink or red in color. This discoloration is created because of our awesome smoking method. We promise all our smoked meats are cooked to healthy and safe temperatures.

In order to offer our customers top quality and freshly prepared items, we will occasionally run out of food each night. It's our promise to serve you only the best.

****All our meats, select sauces and sides are gluten-free but are prepared in a non-gluten free kitchen.****
